

MÀSTER EN ENGINYERIA AMBIENTAL I SOSTENIBILITAT ENERGÈTICA (MEiSE) 2016-17
Exàmens 1r quadrimestre 2a convocatòria

DATA	HORA	ASSIGNATURA
30/01/2017	9:00	Energy Efficiency in Industry and Transport (Aula 114)
	12:00	Fundamentals of Chemical Engineering (Aula 115)
	15:00	Sustainability Tools (Aula 112)
31/01/2017	9:00	Waste Management and Valorization (Aula 114)
	12:00	Advanced Thermodynamics and Fluid Mechanics (Aula 115)
	15:00	Renewable energy Technologies (Aula 112)
01/02/2017	9:00	Analytical Tools Applied to Environmental Engineering (Aula 112)
	12:00	Numerical Simulation in Environmental and Energy Engineering (Aula 112)
	15:00	Eco-efficient process design (aula 112)
02/02/2017	9:00	Industrial Leadership (aula 113)
	9:00	Unit Operations (aula 112)
	15:00	Environmental and Energy Legislation (aula 115)
03/02/2017	9:00	Management and Administration of Companies (aula 113)
	9:00	Kinetics and Reactor Design (aula 112)
	15:00	Environmental and Energy Management (aula112)
